

HERITAGE CHRISTIAN ACADEMY

Excellence in Education. Christ like in Character.

TRAIN A CHILD IN THE WAY HE SHOULD GO, AND WHEN HE IS OLD HE WILL NOT TURN FROM IT.
PROVERBS 22:6

Our children will spend an average of 18,000 hours at school and school-related activities by the time they graduate high school. This is the largest block of training they will receive during their life. What are they being taught during these 18,000 hours?

At Heritage Christian Academy we partner with the family to help our students discover and embrace a biblical worldview and assimilate that view into everyday life. Our God-loving faculty, are committed to integrating the absolute truths God has revealed to us through His word into every subject they teach every day. HCA places a high priority on creating a nurturing environment as it develops a love of learning and allows each child to experience God's love as they express themselves academically, emotionally and spiritually.

Christian education at Heritage is much deeper than our weekly chapel or daily prayer; it is place where academic excellence is core to its foundation. HCA's preparation for college is seen throughout its core curriculum and expands throughout with electives, honors and dual credit classes. The HCA bible curriculum makes scripture real and relevant, allowing children to grow in their relationship with Christ. I praise God for our teachers' commitment to honor Jesus Christ in all that they do and bring the Bible, as the source of all truth, into every area of life for our students. Giving our children a Christ-centered education should not be considered simply a nice option, but rather *essential* if we are to train them up in the way they should go.

HCA is blessed to have a \$20 million facility on two campuses and yet be completely debt free. This allows us to spend more on teachers and programs for each child while keeping tuition below market. Our 20-acre Elementary campus and 18-acre Upper School campus are located 4 miles apart on 159th Street in a peaceful, semi-rural area of south Overland Park, with easy highway access. Our facilities include two kitchens with a daily lunch program, two Media Center/Libraries, a huge performing arts stage, two high school size gymnasiums and multiple fields for hosting various sports teams.

As a father of four children that will be attending Heritage in the Fall of 2010, I look forward to walking with you as we equip minds and nurture hearts to transform the world for Jesus Christ. I would like to invite you to visit Heritage Christian Academy and experience a biblically-based Christ-centered educational program marked by academic excellence and the development of strong Christian character.

Yours in Christ,

Mark Dunn
President
